SOME THINGS LOVE ME.

All within and all without me
Feel a melancholy thrill,
And the darkness hangs about
Oh, how still!
To my feet the river glideth,
Through the shadow, sullen dark:
On the stream the white moon rideth
Like a bark:
And the Linden leans above me,
Till I think some things there be
In this weary world that love me—
Even me!

Gentle buds are blooming near me,
Shedding sweetest breath around;
Countless voices rise to cheer me
From the ground
And the lone Bird comes: I hear it,
In the tall and windy pine,
Pour the sadness of its spirit
Into mine;
There it swings and sings above me,
Till I think some things there be
In this dreary world that love me—
Even me!

Now the moon hath floated to me;
On the stream I see it sway,
Swinging boat like as 'twould woo me
Far away.
And the stars bend from the azure—
I could reach them where I lie—
There they hang and smile above me,
Till I think some things there be
In the very heavens that love me—
Even me!

Now, when comes the tide of even,
Like a solemn river slow
Gentle eyes akin to heaven
On me glow:
Loving eyes that tell their story,
Speaking to my heart of hearts;
But a sigh—a thing of glory
Soon departs.
Yet when Mary soars above me,
I must think that there will be
One more star in heaven to love me—
Even me!

PRACTICAL JOKING.—We had no idea they had such wags away up in Wisconsin. The following anecdote we pick up as an estray:

"Joe and Commodore Rodgers, brother blacksmiths, in Whitewater, Wisconsin, have a great reputation for being practical jokers. Last summer Joe bought an old fashioned churn, for the purpose of manufacturing their own butter, and as the Commodore was a widower and lived with Joe all such work as churning naturally fell to him. One day after supper, the first churning was got ready, and the Commodore was first invited to churn.

'Hold on,' says he, 'till I go down and get some tobacco.'

He went, and while gone, Joe did the churning, took out the butter, and left the buttermilk in the churn. The Commodore returned, looking at the churn, took off his coat and says—

'Waal, old churn, it's you and I, and here's for yo!' and he commenced his labor.

After churning a couple of hours he remarked that he guessed it would be cheaper to buy butter than to make it.

'I think so, too,' said Joe 'if you are going to churn it out of buttermilk!'.

A few days after that churning process, Joe put one end of a small bar of iron into his forge fire, gave the bellows three or four pumps, and stepped into the back shop. While gone the Commodore heated the iron to a black heat, then changed ends with it and stepped out of the front door to watch the progress. In came Joe, took up the iron, but dropped it instantly, holding up his burned hand, and roared with pain.

'Put on some buttermilk, Joe—it's good for a burn!' said the Commodore, as he made a masterly retreat amid a shower of boquets composed of hammers, hard coal and horse shoes.

ADVERTISING.—Here is what Prentice says in the Louisville *Journal* on this subject:

"We have been carrying on the Louisville *Journal* between thirty-six and thirty-seven years. During all this time we have known no man of business in this city to fail who advertised liberally. And we have known no one to succeed in any considerable, if even in a respective degree, who didn't advertise.

Do you tell us, oh candidate for the custom of the community, that you can't afford to advertise because your business is dull? Ah! why is it dull? Listen and we will tell you. It is because you don't advertise, and you don't advertise because it is dull. So the vacant circle is complete. We tell you if you are doing ill, to advertise, that you may do well; and if you are doing well, advertise that you may do better. Set high your mark of business success, and advertise up to it. You can do so, if you will, even in hard times.

A little nerve is needed in advertising as well as in using any other means of success. Your men who have no more nerve than a wet rag, advertise little or not at all. You may suppose that we are giving advice that we think would benefit ourselves. Yes, we do think that it would benefit us, but benefit you immensely more. Think a little, and you will agree with us. And if you do agree with us, be wise enough to act accordingly.

RESOLUTIONS

Adopted by the Union County Convention which met at Auburn, Placer county, on the 10th and 11th June, 1867:

Resolved, That it is the duty of the loyal men in the United States, through their representatives in Congress, to take under their control the government of the late rebel States, until such time as a sufficient number of the friends of the Union can be found therein to organize governments; and that then the future control of said States should be left in the hands of their loyal citizens to the exclusion of the leaders of the late rebellion and of those who voluntarily gave them aid in the field.

Resolved, That we approve of the late Act of Congress for the reconstruction of the rebel States, and earnestly hope that at the coming session the large landed estates of the gentry who gave their personal influence and donated their means to destroy the Government, will be confiscated and divided up into small tracts and donated as homesteads to the soldiers who fought our battles, saved the Union and preserved our freedom.

Resolved, That the vital issue between the Union and Democratic parties is that of loyalty to the constitutional Government of the United States as opposed to disloyalty thereto; that the loyalty of the Union party has been abundantly manifested in the constant support of the Government in all its branches, while the disloyalty of the present Democratic party is as clearly manifest in the aid and comfort which during the late war it continually afforded to the public enemy, and in the sympathy which it still extends in favor of every movement tending to paralyze the efforts of Congress to ward the healthy reconstruction of the Federal Union.

Resolved, That the Union party of the United States is the only party in favor of the Union, the Constitution and the laws, and that the pretensions set forth by the Democratic party in this regard are false and hollow, unfounded in fact, and disproved by history.

Resolved, That the mission of the Union party is not and can never be accomplished until the opposing party thereto be entirely purged of its disloyal elements and eschewing its present heresies, shall in good faith determine to accept the great results of the late war, and thenceforth to take issue only upon questions upon which adverse opinions may be holden or put in practice without jeopardizing the continuance of republican government upon this continent. Until then it is our imperative duty to stand by our colors in the full knowledge that with us is union and liberty—against us only disunion and disgrace.

Resolved, That in the present condition of our State finances, we are opposed to any donation in money or bonds or any loan of the credit of the State to railroads or other corporations, and that our candidates for Senator and Representatives if elected, are hereby instructed to oppose by their votes and personal influence the enactment of any laws having any such object in view.

P. W. THOMAS,
Chairman Committee on Resolutions.

THE UNION PLATFORM.

The Union Party of the State of California, in Convention assembled, hereby present to the people of this State their platform and declaration of party principles:

Resolved, That in the present, as in the past, we are irreconcilably opposed to treason and to traitors, whether the same shall attempt to subvert our Union and control our Government by fraud and treachery from within, or force from without; and that upon the loyalty of the Nation, tried and proven, we rely to re-establish firmly and forever the bonds of our National Union.

Resolved, that in reconstructing the nation its foundations should be justice and its architects loyalty, and we are willing that those so active to destroy, should be the chosen and preferred builders to erect it, and until it shall appear that in the States lately in rebellion loyal Committees exist capable and ready to administer justice and enforce law in accordance with the principles of a government of freemen and equality, it is our wish that the Government be administered and the law enforced by the loyal agents of the Federal Government.

Resolved, That in the reconstruction plan of the late Congress we recognize a policy as wise as it is magnanimous, and when the respective States late in rebellion shall bring themselves within its provisions, we will welcome them as sisters and receive them as equals in a reconstruction Union.

Resolved, That we deem the passage by the Legislature of a law establishing eight hours labor as a legal day's work, eminently just and proper.

Resolved, That the importation of Chinese or any other people of the Mongolian race into the Pacific States or Territories, is in every respect injurious and degrading to American labor, by forcing it into unjust and ruinous competition, and as evil that should be restricted by legislation and abated by such legal and constitutional means as are in our power.

Resolved, That the future primary elections of the Union party in this State should be held under the provisions of the primary election law, and that such test should be prescribed and enforced a shall exclude all persons not members of the Union party.

Resolved, That we fully approve the amendment to the Constitution of the State, presented by the Legislature of 1866, and providing that the Legislature shall have no power to make an appropriation of money for any purpose whatever, for a period longer than two years; that the same should be accepted by the Legislature, adopted by the people and become part of the Constitution of the State.

DISTRICT CONVENTION.—We publish today the call of the committee for a Union District Convention to meet at Gold Run on Monday, July 1, 1867, for the purpose of presenting suitable candidates to the voters of Revenue District No. 2, composed of townships Three, Four and Eleven. The primaries to elect delegates to this convention will take place on Saturday the 29th instant.—We would impress the necessity of harmonious action upon the minds of the delegates, as well as that of presenting the names of such men as will carry the strength of our ticket; keeping in view, always, the fitness of the candidates for the several offices of Supervisor, Collector and Assessor. These offices are of vast importance to our district and county, and much depends upon the capabilities of the men who may be nominated, whether we are to be materially benefitted or seriously injured. It behooves every citizen to give expression to his preference by attending the primaries and voting for just such men as will carry out his ideas, there is the place to contest the nomination of any man, and a proper attention to this matter will obviate the necessity of any further action on the part of the people. If you are beat at the primaries, yield a graceful obedience to the will of the majority, without attempting to impugn the motives or action of those with whom you will be called upon to act at the polls. Without expressing any preference for the candidates we hope the Convention will present the names of those that all can heartily endorse and cheerfully support.

WE announced in our last issue the name of Mr. EDWARD VANDERLIP as a suitable person for one of the Supervisors of Placer county from the Second Revenue District composed of Townships Three, Four and Eleven. Mr. Vanderlip is an old resident of our county, having been one of the early settlers of Iowa Hill in 1854. He is at present engaged in business at Gold Run, and is identified with the growth of that place as well as the general interest of the county. He is a gentleman of respectable ability and if elected would aid in conducting the business of the county in an able and satisfactory manner. Being possessed of a first-class business education Mr. Vanderlip's election should be desired by every well-wisher as also by every tax-payer in the district.

DEMOCRATIC STATE NONINATIONS.—The Democratic State Convention met at San Francisco on Wednesday last, and made the following nominations for State Officers: For Governor, H. H. Haight, of San Francisco; for Lieutenant Governor, Wm. Holden, of Mendocino; for Secretary of State, Dr. H. S. Nichols, of Sacramento; for Controller, Robert Watt, of Grass Valley; for Treasurer, Antonio Corona, of Los Angeles; for Surveyor General, Jno. W. Baust, of Merced; for Attorney General, Jo Hamilton, of Placer. The Convention reported resolutions opposing Congressional reconstruction, the Registry Law, the Radical party and to the extension of suffrage to negroes.

USEFUL INVENTION.—Mr. Richards of Michigan Bluff, has recently invented a machine which is likely to create a complete resolution in hydraulic mining, as it is claimed by the inventor to supercede the hose method of conducting the water. The machine is attached directly to the pipe and by it the stream of water is easily directed in any required direction. The North American Company at Michigan Bluff are now using the machine and are said to be greatly pleased with it. It is said to be cheap and easily managed.

DEATH OF AN EDITOR.—L. McClure, Esq., recently engaged in an editorial capacity on the Daily Times, expired on the morning, of the 14th of disease of the kidneys. He had been prostrated for a fortnight past, and Thursday he was thought to be convalescing, but in the morning his disease took an unexpected turn, and resulted fatally a few minutes after. Mr. McClure was a vigorous writer and a man of generous impulses, and his death will be regretted by those who enjoyed his acquaintance.

INDEPENDENT CANDIDATES.—J. O. Goodwin, of Marysville, announces himself as an independent candidate for Congress from the third district. J. G. McCallum, of Sacramento, also announces himself as an independent Union candidate for Congress from the second district. He does not recognize the action of the late Congressional convention as binding either as to time, place or its doings:

WE call attention to the advertisement of Mr. Wright in this morning's paper, and would recommend the house to all who love good living. Having had our extremities under the mahogany at this house, we speak from experience when we say you can be supplied with all you want by calling at Wright's Restaurant.

ACCIDENTAL DEATH.—A man named Mullen, of Lincoln, while returning recently from the Democratic County Convention at Auburn, fell from his wagon and was run over and killed.

SNOW is said to be rapidly disappearing from Meadow Lake, and it is confidently expected that teams will be able to run in there from Cisco in two or three weeks.

GEORGE C. GORHAM'S ADDRESS

TO THE UNION PARTY OF CALIFORNIA:

As the nominee of the Union party of the State for the office of Governor, the welcome task is imposed on me of sounding the note of preparation for the impending contest. Previous to the nomination the usual efforts were made on behalf of the several candidates. The claims of all having been submitted to the State Convention, and the choice having fallen upon me, I am gratified at being able to say that the representative men of the several elements of the party have warmly and enthusiastically assured me that they will now, as in the past, labor zealously for the success of the cause, and they will soon be heard rallying the masses to the support of the Union ticket. The party press, true to principle, have, so far as I have heard, already entered upon the campaign.

I need not remind any of you of the perils of the past six years. Through war and blood our blessed nation has been preserved—through the madness of those who would have betrayed us after victory; and through the wisdom of Congress, liberty and justice are being established throughout the length and breadth of the land. But the work is not yet done. True it is that many of the brightest intellects and bravest hearts of the South have abandoned all projects for restoring the past; to such the nation holds out welcoming arms. But prejudice, blindness, hardness of heart and perverted judgments are yet too prevalent in the lately rebellious States to render it safe for the patriotism of the country to slumber. The party which saved the nation must not relax control of the Government while the embers of rebellion yet glow; nor must any party even maintain a hold on power in the land which has for its corner-stone the hatred of a race of men. The war of opinion is not yet fought through; it is to go on until national citizenship shall be beyond the control of local authority, and manhood alone the test of a right to a voice in the Government. These are the honest views of a great body of the American people, and whoever questions the policy of giving them utterance let him take courage in the reflection that his neighbor is no more likely to be unjust than himself. With such aims as this in view, who shall dare to raise his voice to make discord in the only party through which they can be accomplished? Who shall dare, by showing dissensions in the party now, to peril our success next year at the Presidential election, not only in California but in Oregon and Nevada, upon the political action of which this, the parent State, exercises so commanding an influence? But, independent of the importance of the national questions involved, who is willing to see the restoration of the Democracy to rule in this State? Shall we entrust to that party the management of our common school system? Shall they be relied upon to pass judgment upon measures inaugurated for the development of the State, and be free to direct and educate to their expressed doctrines the coming thousands of immigrants who are to till our fields, delve in our mines and construct our great systems of public improvements? The tyranny and prodigacy of Southern rule in California are yet too well remembered by the people to admit of the thought of its returning.

But notwithstanding the vital necessity at this time of the success of the Union party principles and Union party organization, murmurings of discontent are heard from quarters which have sometimes left us and flown the party line. A portion of the independent press refusing at all times to be bound by the action of the Conventions of the party has attempted to dictate its policy and its nominations, and failing to overawe its assembled representatives, has taken up arms against the organization. A persistence in this course will make them the allies of the Democratic party, and as such they must be met as we meet all foes of our cause. These papers forbade my nomination by the Union State Convention. They say I have been employed to urge upon the Legislature schemes for the improper expenditure of public money. The charge is without foundation and is utterly untrue. I never in my life aided in the passage of any measure by the Legislature for a consideration. I never made use of nor advised any improper influences to reach any legislator in behalf of any measure. It is well known that my presence in the last Legislature was at first for political purposes—to aid in the elevation of another, not myself, to office; and subsequently to urge party action on national subjects, then of great moment, and to solicit aid for the circulation of a little sheet called the *Free American*, through which I was, at my own expense, calling public attention to the subject of reconstruction. I mean to be clearly understood as giving a full and complete denial to all the charges made against me, not one of which can for a moment stand in the presence of the light of truth. But they go further, and say that I am sure, if elected, to be under the control of schemers and jobbers. To those who know me, so absurd a proposition needs no denial. But I know I must address myself to those who do not know me. Much has been said of measures for the disposal of property belonging to the State, and charges are made that those interested have secured pledges from me that I will, if elected, give such measures my sanction. These charges are untrue; and so far from their having any foundation in fact, I here emphatically declare that no bill to dispose of State property anywhere without a full and just compensation could ever have my sanction. If any have aided in my nomination with an expectation contrary to this declaration, let them dispose such hopes forever. It is also said that I would approve heavy appropriations to aid public improvements. Let me reply and be explicit: I believe that public improvements necessary to the building up of the material interests of the State must rely mainly on private enterprise, and that public aid should only be invoked after great outlays of private capital have already been made, and I pledge myself to the tax-payers of this State that no measure to add to the burden of the public debt shall ever receive my approval. In the event of my election, unless it is clearly in obedience to the demand of public opinion and clearly to the advantage of the Commonwealth; no interests of private persons shall ever be subserved through me at the expense of the State. I have made no pledges, expressed or implied, to any corporation or individual upon any proposed measure whatever. To an economical administration of the State Government; to firmness in the execution of the laws; to a watchful care in the examination of claims against the State; to humane and thoughtful attention to the poor, to the insane and the criminal; to the appointment of none but trustworthy and competent men to office; to fidelity at all times to the cause of education; to boldness of speech in behalf of the right when great issues arise—to all these I pledge myself most unreservedly. I trust I am on better terms with my Maker than I can believe my cruel calumniators to be, and in His presence I again asseverate the truth of all I have said. Let Him judge me. My heart is light, and my conscience clear.

One of the journals of this city affects to misunderstand a remark made by me to the State Convention, and makes it the basis of an offensive suggestion. I will reproduce what was really said, and set the matter finally at rest. After alluding to assaults on me, I said if anything could be pointed out in my life against my private character, or if any failure to discharge my public duty could be shown, that I should cheerfully retire from the contest.—Notwithstanding my name has been under discussion for a year, the utmost malignity of my enemies has been foiled in all efforts to fix a blemish upon me, and I now declare irrevocably that the party banner which has been intrusted to my keeping by the finally unanimous voice of the Union State Convention shall be held aloft by me until the day of election, and that I would as soon think of surrendering it into the hands of those who rejoiced at the assassination of the martyred Lincoln, as of laying it down at the bidding of men who are eagerly whetting their knives to seek the life of the invincible Union party.

For all who are Union men I have the feeling of a fellow-soldier in a sacred cause. Let us forget the bickerings of the last few weeks and resolve on victory. For open and manly political opponents I have the proper respect. For those who would, after time is given for the blood to cool, strike at the cause under a pretext of being dissatisfied with the nominations, I have nothing but defiance and scorn. At no time and under no circumstances will I desert the post of duty to which I have been legitimately assigned by my party. The Union organization has a charmed life, and nothing can destroy it until its great mission is fulfilled. I will do my whole duty during the canvass, visiting all accessible portions of the State. I shall thus meet you face to face, and we can come to a good understanding.

Fellow-laborers in the great party of progress: Give me your confidence. I mean to be true and right, and believe I can be of service to this State. Young men of the party: I, a young man, claim fellowship with you. To your enthusiasm are due the victories of the past. In this campaign outdo yourselves. Workingmen: We have pledged ourselves to your interests. Stand by the party of free labor. To those who do not belong to our party, I say come over to us and we will do you good; your friends are pledged to measures which are obsolete; your leaders are on probation. Make no longer a hopeless struggle against destiny. Join us in carrying into effect the wise and humane legislation of Congress for the Southern regions, and enjoy with us the return of the era of peace, liberty, justice and union.

Perry Davis' Vegetable Pain Killer, after a thorough trial, by innumerable living witnesses, has proved itself THE MEDICINE OF THE AGE. Although there has been many medicinal preparations brought before the public since the first introduction of Perry Davis' Vegetable Pain Killer, and large amounts expended in their introduction, the Pain Killer has continued to steadily advance in the estimation of the world as the best Family Medicine ever introduced. It is an internal and external remedy. One positive proof of its efficacy is, that the sales have constantly increased and wholly upon its own merits. The effect of the Pain Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of Insects, and other causes of suffering, has secured for it such a host of testimony, as an almost infallible remedy, that it will be handed down to posterity as one of the greatest medical discoveries of the nineteenth century.

SEMI-WEEKLY ENQUIRER.

MILITARY AND CIVIC BALL.—At the regular monthly meeting of the Pacific Guards at their armory on the 15th instant, the Company unanimously decided to hallow with appropriate observance and ceremony the anniversary of the birth-day of freedom in America. A Committee of Arrangements consisting of five members was appointed. The Committee met on the evening of the 18th instant and arranged for dinner at 2 o'clock P. M. at the Dutch Flat Hotel; for a company parade and drill during the afternoon; for a grand military and civic ball at the Theater in the evening, for which good music has been provided, and for a supper at the Placer Hotel. We understand that the ball tickets will be $4.00 only, and we have no doubt there will be a large and gay gathering upon the occasion, as it is the intention of the Company, which number over ninety men, to turn out in full force. We sincerely hope there will be an immediate meeting of the citizens of the town and a committee appointed to act in concert with the Company's committee, in order that we may have a grand procession to the grove, or some other appropriate place, the singing of patriotic songs, reading of the Declaration of Independence, an oration, &c., that it may be said—we too have added fuel to keep alive the old fires of patriotism which blazed forth as brilliant beacon-lights upon every hill top of the nation ninety-one years ago; that WE too have kept fresh in remembrance, and with grateful hearts have honored the noble heroes of the Revolution who laid down their lives, a willing sacrifice upon the altar of our common country that we might enjoy the blessings of civil liberty. Let the move be made at once as there is no time to lose.

SINCE the result of the crushing by the mill of the King Brothers has become known, quite a number of strangers have been in town, doubtless with the intention of becoming interested in the many cement claims in this place. Come on, gentlemen, there is enough ground for all, and it can be obtained at reasonable prices. All we want is capital to make Dutch Flat the liveliest town in the interior.

TRUE GENTILITY.—No woman can be a lady who would wound or mortify another. No matter how beautiful, how refined, how cultivated she may be she is really coarse, and the innate vulgarity of her nature manifests itself here. Uniformly kind, courteous and polite treatment of all persons is one mark of a true woman, and of a man also.

BIG DAIRY.—In Marin county there is a dairy of 3,000 cows. They are pastured on 75,000 acres of land, and two hundred men are employed to attend to them. Shafter & Howard are the owners. The butter and cheese made in the counties of Marin, Sonoma, Santa Clara and San Luis Obispo, is nearly enough to supply the State. No wonder they are called "Cow Counties."

MEDICAL.

S. T.—1860.—X.

"JES' SO!"—"EXACTLY!"—Solon Shingle said; they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters: if he felt weary at night he took Plantation Bitters: if he lacked appetite, weak, languid, or mentally oppressed, he took Plantation Bitters and they never failed to set him on his pins square and firm.

A few bottles of PLANTATION BITTERS

Will cure Nervous Headache,
" Cold Extremities and Feverish Lips,
" Sour Stomach and Fetid Breath,
" Flatulency and Indigestion,
" Nervous Affections,
" Excessive Fatigue and Short Breath,
" Pain over the Eyes,
" Mental Despondency,
" Prostration; Great Weakness,
" Sallow Complexion, Weak Bowels, &c., which are evidences of

Liver Complaint and Dyspepsia.

After a long research, we are able to present the most pleasant, the most remarkable cure for those horrid nightmare diseases the world has ever produced. Within one year, over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge!

It is a most effectual tonic and agreeable stimulant, suited to all conditions of life.

The report that it relies upon mineral substances for its active properties are wholly false.

The original quality and high standing of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a poor article cannot be sold as low as a good one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

LYON'S KATHAIRON.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.

It prevents the hair turning gray and falling off.
It restores the hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load and yet its almost incredible demand is daily increasing, and there is hardly a country store that does not keep it, or a family that does not use it.

MUSTANG LINIMENT.

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment.

For cuts, sprains, burns, swellings and caked breasts, the Mexican Mustang Liniment is a certain cure.

For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.

For spavined horses, the poll evil, ringbone and sweeney, the Mexican Mustang Liniment never fails

For wind galls, scratches, big-head and splint, the Mexican Mustang Liniment is worth its weight in gold.

Cuts, bruises, sprains and swellings are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

"In lifting the kettle from the fire, it tipped and scalded me terribly. * * The Mustang Liniment extracted the pain and caused the sore to heal rapidly, and left very little scar.

CHAS. FOSTER, 420 Broad str., Phil.

Mr. S. Litch, of Hide Park, Vt., writes: "My horse was considered worthless, (spavin) but since the use of the Mustang Liniment I have sold him for $150. Your Liniment is doing wonders up here."

REDINGTON & CO.S

ESSENCE OF JAMAICA GINGER.

THIS valuable preparation, consist- ing in a highly concentrated form all the properties of the Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic it will be found invaluable to those recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is entirely free from the reactionary effects that follow the use of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period.

It gives immediate relief to Nausea, caused by the riding in a railroad car, or by sea-sickness, or other causes. It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.

MEDICAL.

PRIVATE MEDICAL INSTITUTE,

Established by

DR. J. C. YOUNG, IN 1850,

For the cure of all Private Diseases and

ALL FEMALE COMPLAINTS.

CONSULTING OFFICE,

536 WASHINGTON STREET.

SAN FRANCISCO, : : : : : : : : CALIFORNIA

NO CURE, NO PAY.

Consultation by letter, or otherwise, FREE. For direction of letters, see below.

THIS CELEBRATED INSTITUTE has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands annually received and cured place it in point of number of patients among the very first of the world and the success of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world puny and diseased offspring, and poison, through successive generations the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arising from the contamination of Venerial Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical enemy to man, combining with the Venereal, doubles its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

Do not be satisfied with partial cures that leave the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. WHEN PERFECT CURES can be obtained by consulting a physician whom long practice and thorough investigation into the causes of DISEASES of the URINARY ORGANS enables to determine at once the nature of the disease.

In all cases entrusted to the Doctor's care, PERFECT, SPEEDY and PERMANENT,

Cures are Always Guaranteed.

In syphilis and its adjuncts; Gonnorrhœa and its accompanying diseases; and all diseases of the Bladder, Kidneys, and prostrate; Seminal Weakness Diseases of the Heart and Lungs; Dyspepsia; Indigestion, Impotency; Incipient consumption, and all diseases of the urinary organs, in either sex, cure always warranted. NO PAY REQUIRED, at the

Private Medical Institute,

No. 536 Washington street, San Francisco, Cal.

Seminal Weakness or Spermatorrhœa

The young man who experiences that growing weakness in his muscular and menta organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion unaccountable failing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams, accompanied by growing deafness, loss of muscular power, and numerous other symptons of disorganization, the positive traces of that most terrible and destructive of all diseases Seminal Weakness—wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence towards a premature and loathso ne grave. To him who finds his life dribbling out in the discharge of the vital principle of existence in nocturnal and diurnal emissions, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of manhood, brings to such an one no hope of cure, but adds to his misery in the knowledge that the one, who looks to him for so much of her happiness, is a victim to his evil, and an innocent companion of his pain almost. He adds to his misery and disorder until hope leaves him. There is no rescue except in proper and skillful treatment. Consult then, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease. Those who have become the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands of sick-rooms with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to each and all assurance of a PERFECT and PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Do not forget the address. See below.

Important to Females.

When a female is in trouble or afflicted with disease and requires medical or surgical assistance, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore families can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be pre-eminently superior in their action. No lady should be without these Renovating Agents. None genuine unless procured at this office.

Sent by Mail or Express, to any part of the State. THE GREAT FEMALE MEDICINE! PREVENTIVE POWDERS for MARRIED LADIES. New, Safe and Infallible, lasting from four to six months. Price, $10. To Correspondents.

Patients residing in any part of the State, however distant, who may desire medical advice or their respective cases, and who think proper to submit a written statement of such in preference to holding a personal interview, are assured that their communications will be held most sacred.

All letters must be addressed to the corresponding physician, thus:

PRIVATE MEDICAL AID.

QUICK CURES AND MODERATE CHARGES.

DR. W. K. DOHERTY'S
Private Medical and Surgical Institute

Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's Office. Private entrance on Leidesdorff street, San Francisco.

Established expressly to afford the afflicted sound and scientific medical aid in the treatment and cure of all Private and Chronic Diseases, cases of Secrecy and all Sexual Disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse, Gonorrhœa, Gleet, Strictures, Nocturnal and Diurnal emissions, Sexual Disability, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc., and he hopes that his long experience and successful practice will continue to ensure him a share of public prtronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment, and implicit secrecy.

DR. DOHERTY would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demand their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited during a practice of more than fifteen years.

DR. DOHERTY—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgement for your valuable services—particularly as your fee was small for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion, I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my addres and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease I used a large amount of the preparations advertised as an infallible cure for Gonorrhœa, Gleet, etc., but never derived any benefit from them.

I am, Doctor, very truly yours,
L—— H——.

San Francisco, June 16, 1864.

Subscribed and sworn to before me, this 21st day of June, A. D. 1864.

[L. S.] A. S. GOULD, Notary Public.

Seminal Weakness—A Sworn-to Certificate of a most Remarkable Cure of Spermatorrhœa.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrhœa," or Seminal Weakness, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptons as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in one week I found myself very much improved, and, now, after five weeks treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself JAMES JOHNSTON.

Subscribed and sworn to before me, this 15th day of January, A. D. 1864.

[L. S.] A. G. RANDALL, Notary Public.

HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established by Dr. J. C. YOUNG, in 1850. In this age of deceit and charlatanism, it is a boon to the suffering to point out to them where they are sure of obtaining the wished for relief and cure. Under the care of the skillful Doctor the sick and troubled can divest themselves of their burdens of pain; lay aside their cross and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number or the manner of directing your letters. MEDICAL ADVICE.—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine quo non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by defamation of others to establish his reputation or ruin of another's fame. The Doctor conducts his own Institute in such a manner must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertain to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—NEWS

SPECIAL MEDICAL NOTICE.—DR. CHAS. H. TOZER would most respectfully inform the sick and afflicted that his MEDICAL INSTITUTE is at the same place, corner of Kearny and Jackson streets, San Francisco, where he has been established for many years, for the cure of special complaints. Having relinquished my old modes of advertising, which has become so common with all the Quack Doctors of San Francisco, filling up the newspapers with false references, for the purpose of imposing upon strangers. I think it is only necessary to inform those in need of a Physician of long experience and successful practice, that I can be consulted at all business hours, at my Medical Institute, corner of Kearny and Jackson streets, San Francisco.

Ladies suffering from the Whites, Piles, Weakness of the Back, Pain in the Side, Headache, Palpitation of the Heart, Derangement of their Monthly Sickness, and all other diseases that the Female System is subject to, will find prompt relief by applying to DR. TOZER.

My Female Monthly Pills were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office. Price $5 00 with full directions on each Box. Sent by mail or express.

FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College and Physician of the St. John Baptiste Society of San Francisco,

DR PERRAULT has pleasure to inform patients, and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco, Rooms No. 9, 10, 11, first floor, up stairs entrance either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptons: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, shiftings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptons are pimples in the face and aching in different parts of the body. Patients suffering from this disease, should apply immediately to Dr. PERRAULT, either in person or by letter as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhea, Gleet, Strictures, Bebo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under Chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we final our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor, with the assurance of relief.

Female Monthly Pills.

DR. PERRAULT is the only agent in California for DR. BIOT'S Female Monthly Pills. Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery streets Rooms, 9, 10 and 11, or Box 975, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

MEDICAL.

DR. CHAS. H. TOZER'S

PRIVATE MEDICAL INSTITUTE,

N. E. Corner of Kearny and Jackson Streets,

SAN FRANCISCO.

The Great Eradicator of Special complaints, formerly of Locke Hospital, London, Eight Years in Sacramento, and the last Four Years in San Francisco.

DR. TOZER'S

Experience is of forty year's standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence. I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Headache and an aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on Dr TOZER, and he will cure you in a short time, without any interruption to your business—or state your case by letter, and there will be no occasion for your calling at the office.

Stricture of the Urethra

Is another formidable enemy to health. Send for one of my circulars on that disease, and inform yourself of its terrible results. The worst cases cured in a few days.

Venereal Diseases,

In all their various forms, either Primary, Secondary or Hereditary, completely eradicated from the system. Your constitution being restored to perfect health, there will be no danger of handing down to your children that terrible disease known as Scrofula.

Syphilitic Disease,

As it presents itself on this coast, is of a more formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island disease. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

The Old Formulas

Of Ricord, Acton and Bostwick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can say without boasting, that I have seen more practice in those diseases than any other physician in San Francisco, dating, as it does, from 1849. It becomes you, therefore, to think well before you employ a physician. Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

Rheumatism, Neuralgia,

And diseases arising from the use of Mercury, such as pains in the skin bones, swellings of the different joints of the body, running sores, etc., and impurities of the blood, cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

Seminal Weakness.

Should you be afflicted with any of the following symptoms, such as Weakness of the Back and Limbs Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, Evil Forebodings, Self distrust, and an aversion to society, consult DR. TOZER at once, and he will restore you to perfect health.

To Females.

When you are afflicted with Weakness of the Back and Limbs, Head, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervousness, Extreme Urinary Difficulties, Derangement of the Monthly Sickness, Sterility, and other diseases peculiar to females, consult DR. TOZER, and you will receive particular attention. Let no false delicacy prevent you, but apply at once, and save yourself from painful suffering and premature death.

My rooms are so arranged that there is no danger of exposure, and of meeting any one save the Doctor

A Grateful Acknowledgement to Skillful Gentlemen.

SAN FRANCISCO, June 1, 1866.

Dr. Chas. H. Tozer:—DEAR SIR: You will excuse me for not writing to you sooner. You will please remember me as the individual who called on you for assistance about a year ago. The roof of my mouth had completely rotted out, and my palate dropped and there remained, stopping up the passage so that I could hardly eat. You remember you cut it off at once, which relieved me immediately, and I was enabled to swallow my food, and in a short time began to improve. I took your medicine and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve, until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you for the perseverance and skill that you displayed in my case; and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend ~~all my friends~~ to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc., S. S. T.
